Your Capability Assessment:

Emerging Capable Skillful Leading

Your Strength:

Aminurrashid was well-prepared for the workshop. The majority of participants were Korean educators with varying levels of English proficiency. However, Amin employed a variety of strategies to facilitate the workshop, effectively tailoring his approach to meet the different needs and challenges of the participants. It was evident that the participants were fully engaged whenever they were observed.

Suggestions for Improvement:

To "further" develop the "transfer skills" aspect of the workshop, Aminurrashid can explore various approaches that encourage participants to apply their knowledge and skills in diverse contexts, even among those from a specific community.

Workshop Leader Capability Observation

The field representative observed your workshop for: 45 Minutes
